Seminar “Advanced Topics in Animation”

There will be no classroom events in the summer term 2020. Instead, slide sets and recordings of seminar introductions will be available on https://cg.informatik.uni-freiburg.de/teaching.htm in advance. Video conferences will be conducted at the time scheduled for the classroom event to address questions. Invitations to the video conferences will be sent to registered participants via the campus management system. Seminar presentations will be performed via video conference.
